- 2.
3. Guided by the growing number of Palestinian refugees in the Near East and elsewhere in the
4. world,
- 5.
6. Emphasizing the need for radical global cooperation,
- 7.
8. Desiring eternal peace between the State of Palestine and the State of Israel,
- 9.
10. Alarmed by the growing population of Palestinian refugees at risk,
- 11.
12. Taking note of the fact that Palestinians lack basic skills such as reading and writing, and the UN
13. recommends to creating workshops covering skills such as but not limited to sewing, cooking
14. and cleaning,
- 15.
16. 1) Encourages the UNRWA to mix Palestinian and Israeli students in schools so that (ad.
17. ROY) they have the opportunity to grow up together to promote peace;
- 18.
19. 2) Emphasizes the need for all relevant governments to support and give Palestinian
20. refugees their basic rights as human beings;
- 21.
22. 3) Requests all countries to implement programs to welcome Palestinian refugees in ways
23. such as but not limited to providing education, shelter, jobs, basic amenities, health
24. services, protection/safety and welcoming refugees into communities;
- 25.
26. 4) Draws the attention to how beneficial NGOs have been, and currently are, to all
27. refugees, including Palestinian refugees, in the past and how they can continue to be
28. so;
- 29.
30. 5) Takes note of other conflicts that have been resolved by both parties agreeing on
31. peace;
- 32.
33. 6) Further requests countries to integrate education on the topic of Palestinian refugees
34. into their curricula;
- 35.

36. 7) Expresses its appreciation for people who help refugees that are not provided with
37. their basic human rights;
38.
39. 8) Implores that countries donate 0.25 % of their military budgets to the UNRWA for
40. the sustainable lifestyle of Palestinian refugees;
41.
42. 9) Encourages all member states to allow refugees in their territories;
43.
44. 10) Recommends that the UNRWA puts a further 0.5% of their budget to education for
45. Palestinian refugees;
46.
47. 11) Supports the idea of making creating treaties dedicated to Palestinian lifestyle such
48. as but not limited to religion, culture and personality;
49.
50. 12) Affirms the idea of making progress to decrease the population of Palestinian
51. refugees;
52.
53. 13) Supports offering living facilities (including food and shelter) to Palestinians;
54.
55. 14) Calls upon the UN Security Council to place sanctions on Israel for not complying
56. with the 1947 UN Treaty on Israel-Palestine;
57.
58. 15) Further invites facilities with excess amenities to donate it to refugee camps where
59. possible.
